FEE: \$4/STUDENT (1 adult admitted free with every 5 students)
\$6/ADDITIONAL ADULT
TIMES: See application form below

CLASSES ARE ENCOURAGED to visit in the fall or spring to see seasonal changes on the farm.

To register for fall or spring farmyard visits, use the form below. To schedule a SUMMER visit, please call Keely Deutsch, 802-985-0344.

A visit to the Children's Farmyard offers youngsters a hands-on opportunity to discover the important role that farms play in their lives. Field trips are self-guided: you are free to explore at your own pace! Hands-on activities (such as milking a cow or working with wool) are offered every half hour beginning at 10:30. You may participate in any or all of these activities. Teachers, chaperones, and students can also explore the hiking trails, bakery, woodshop area, and cheese making near the farmyard. Groups typically visit for 1-2 hours, but are welcome to spend more time in educational exploration if desired!

Autumn at the Farm

SEPTEMBER & OCTOBER 2009

Fall is an excellent time to visit the Farmyard! With fewer vacationing visitors, the pace is a bit slower, which can allow for a more personable, one on one, experience. A fall field trip is a unique opportunity to engage and interact with your students at the beginning of the school year!

Spring Farmyard Visits

MAY & JUNE 2010

Spring marks the opening of the farmyard, with all its new arrivals. From chicks to lambs, and from calves to piglets, the farm's newborns are sure to make a visit to the farmyard a memorable experience!
