

THANKS TO OUR SUPPORTERS

Thanks to you, our loyal donors, guests and customers, Shelburne Farms continues through challenging times as a vibrant place and organization, with strong demand for our programs reflecting the continued relevancy of our mission. Highlights for the past year include major support for Vermont's "farm-to-school" initiative from Senator Leahy and the Centers for Disease Control and Prevention, and working with the Burlington School District on opening the Sustainability Academy at Lawrence Barnes School. The Academy is the first elementary magnet school with a sustainability theme in the country. Here at the Farm, special grants made possible another round of improvements on the Breeding Barn, other barns and houses at Southern Acres, as well as the Shelburne House gardens.

Through careful management, we were able to increase earned revenue and better align our support enterprises with our mission. At the Inn, we increased the use of on-farm and Vermont produced food from 61% to 77%, while reducing restaurant food costs by more than 10%.

As a farm and a nonprofit, we are always striving to produce healthy food using environmentally and economically sustainable practices, offer meaningful educational experiences, share the beauty of the place, and be a good neighbor. It is an ongoing process that requires constant attention to stewardship values and responsibilities. We appreciate your participation and the fact that your contributions make it all possible.

Thank you so much for being part of the Farm's extended community of friends. As always, we are profoundly grateful for your support.

The mission of Shelburne Farms is to cultivate a conservation ethic by teaching and demonstrating the stewardship of natural and agricultural resources.

As the foundation for this work, we practice sustainable rural land use and share this National Historic Landmark of exceptional natural and architectural beauty.

Our program goals are to increase awareness and appreciation of natural and agricultural resources and the working landscape, and to inspire active stewardship of the environment.

Shelburne Farms is inspiring a growing number of caring and ecologically literate citizens to make choices that contribute to a sustainable future.

In addition to listing Honorary Stewards, Land Stewardship Fund donors, Endowment Funds, and Stewardship Circle members, this listing includes individuals, businesses, foundations, and organizations who contributed to Shelburne Farms between January 1 and December 31, 2009.

The accuracy of this listing is very important to us. Please let us know if you can't find your name or if you are listed incorrectly so that we can correct our records. Thank you, all!

Shelburne Farms Stewardship Circle

Raising funds for program development, capital needs, and endowment is the key to ensuring the long-term financial sustainability of Shelburne Farms. To this end, we invite you to join the Farm's Stewardship Circle.

We gratefully acknowledge the following Stewardship Circle members who have let us know that Shelburne Farms is included in their estate plans. Stewardship Circle donors help ensure that Shelburne Farms will continue as an educational and community resource for generations to come.

The Sustainability Academy, pictured with Sen. Bernie Sanders, received a federal "Solar in Schools" grant.

Sustainable Schools Project

Shelburne Farms' Sustainable Schools Project (SSP) is an innovative school-wide model that uses the big ideas of sustainability for curriculum development, campus ecology, community partnerships, and collaboration. The goal of SSP is to improve student academic achievement and increase civic engagement through place-based education and service-learning.

Vermont FEED

VT FEED (Food Education Every Day), a collaboration of three nonprofit organizations, acts as a catalyst for rebuilding healthy food systems, and for cultivating links between classrooms, cafeterias, local farms, and communities. The mission of VT FEED is to raise awareness about healthy food, the role of Vermont farms and farmers, and good nutrition.

Partners

Food Works at Two Rivers Center
Northeast Organic Farming Association of Vermont
Shelburne Farms

2009 Supporters

Canaday Family Charitable Trust
Brian & Amy Mason
Kathryn Perkins & Andrew Thurber
Bradley Rawson & Lisa Robinson
U.S. Centers for Disease Control and Prevention

With special thanks to Senator Patrick Leahy for all his work in support of Vermont FEED.

A Forest For Every Classroom

A Forest for Every Classroom (FFEC) is a professional development program for educators, aimed at providing the inspiration, knowledge, and skills required to transform class-room teaching into effective and exciting place-based education.

For All You Do

We want to extend a big thank you to all the wonderful people who volunteer throughout the year at Shelburne Farms or work seasonally in our education programs, special events, Children's Farmyard, dairy and cheese, the inn and restaurant, Welcome Center and building and grounds. Together with our dedicated team of year-round staff, our volunteers and seasonal staff make all our regular programs and enterprises, as well as the Harvest Festival, Art Show, Winter Fest, Mother's Day House Tours, Calf Open House and other special programs possible.

In loving memory of long-time friends & supporters who passed away in 2009
