FEE: \$4/student (1 adult admitted free with every 5 students, \$6/additional adult).

Autumn at the Farmyard

September & October 2013

Fall is an excellent time to visit the Farmyard! With fewer vacationing visitors, the pace is a bit slower, which can allow for a more personal, one-on-one, experience. A fall field trip is a unique opportunity to engage and interact with your students at the beginning of the school year!

Spring at the Farmyard

May & June 2014

Spring marks the opening of the farmyard, with all its new arrivals. From chicks to lambs, and from calves to piglets, the farm's new-borns are sure to make a visit to the farmyard a memorable experience!

A visit to the Children's Farmyard offers youngsters a hands-on opportunity to discover the important role that farms play in their lives.

Field trips are self-guided: You are free to explore at your own pace! Hands-on activities (such as milking a cow or working with wool) are offered every half hour beginning at 10:30. You may participate in any or all of these activities.

Teachers, chaperones, and students can also explore the hiking trails, bakery, woodshop area, and cheese making near the farmyard.

Groups typically visit for 1-2 hours, but are welcome to spend more time in educational exploration if desired!

The Farmyard also welcomes summer visits in July & August for your program or camp group. Contact Cat Wright (see below).
